

7.2 Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best practice 1

1. Title of the best practice

Green and salubrious campus maintenance

2. Aim of the practice

To ensure continuous planting of various plant saplings and to provide a very healthy learning environment.

3. The principle & context

In the modern era, a large number of trees are cut down leading to global warming. In view of this, the college maintains a green and salubrious campus.

4. The practice

The NSS and the NCC units practice as well as coordinate planting of saplings and their maintenance periodically.

5. Outcome of the event

The 43 acres college campus is salubrious even during severe summer days.

6. Problems encountered

Some of the regions with more number of trees turn out to be bushy and the saplings perish, if pruning or proper sheltering missed.

7. Facilities/ resources needed

Tree sampling guards, shredder and garden pruning tools

Best practice 2

1. Title of the best practice

Staff and Student Assembly – twice monthly

2. Aim of the practice

To underscore student discipline cum regularity, to appreciate best performing students as well as a forum to display the skills of able students.

3. The principle & context

To enhance their academic performance and to regulate adolescence towards an academic honest life.

4. The practice

The Principal schedules the prayer; all staff and students assemble accordingly.

5. Outcome of the event

Any important information reaches all students instantaneously.

6. Problems encountered

One or two students felt discomfort during some of the students' assembly meetings.

7. Facilities/ resources needed

Comfort facilities like first- aid kits & glucose
